### WEDNESDAY—SECOND DAY.

Two thousand people were in attendance at the Fair Wednesday. It was ideal weather. The cattle show during three morning hours embraced several fine herds, most of the premiums being taken by Abe Renick, of Clark, and J. M. Hall, of Bourbon.

The big event of the day was the baby show. Mr. Wm. Whaley, Jr., having offered a \$10 premium for the handsomest boy baby in Bourbon under 18 months old. Mrs. Roy Clendenin, Mrs. Chas. May and Mrs. Reynolds Letton were judges.

There were 11 entries, viz: Arthur F. Anderson, Katie Horine, B. P. Ratliff, W. G. Redmon, Alva Henry Bratton, J. Will Crouch, Jr., J. J. Hardy, Joe Popham, C. A. Webber, Jr., James Pendleton, Frank Walker.

After a half hour's inspection in which the judges were assisted by liberal advice from the occupants of the grand stand, the first premium was awarded to Arthur Maxwell Anderson, son of Mr. Arthur F. Anderson, of North Middletown, and the second prize premium to the son of Mr. Wm. Crouch, of Flat Rock. The judges were then escorted to a place of safety by the police and the usual routine of the Fair was resumed.

The contests for the best harness stallions brought out a large number of entries. Much spirit was shown and great interest aroused among the large number of horsemen present. In the ring for the best harness stallion, 4 years old and under 5, Star McDonald, entered by Carrick & Parker, of Georgetown, carried off first honors with Streiling Chief, owned by Woodford Brothers, of Mt. Sterling, second. Young Chief, owned by Joe Sparks, of Leesburg, was the unplaced entry.

## Cantrill Nominated.

Hon. C. M. Thomas, of Bourbon, was made permanent chairman of the Seventh Congressional District Convention held at Lexington yesterday. The Hon. J. Campbell Cantrill was nominated on the first ballot by the following vote: Cantrill, 70; Kimball, 3. The Kimball delegation from Fayette and part of the Woodford delegation got mad and left the convention hall and held a "rump convention," and nominated Kimball, but he declined the nomination. L. F. Johnson, of Frankfort, was then nominated. It was printed in last night's Leader and Lexington Gazette that the Kimball delegation from Bourbon also left the regular convention hall and joined the bolters, but it was all a mistake. When the convention seated the Cantrill delegation from Bourbon the Kimball delegates left the hall and started home. The following correction explains itself:

### A CORRECTION.

In the Lexington Leader and the Evening Gazette the statement appeared that the Kimball delegation from Bourbon county had participated in the bolting convention which nominated Frank Johnson from Franklin county. This statement is absolutely without any foundation whatever. While it is true that the Kimball delegates walked out of the hall at the same time as the Fayette and Woodford delegations, they took no part whatever in the proceedings and cast no vote whatever for either Mr. Kimball or Mr. Johnson, but on the contrary refused to cast the vote of Bourbon county upon these questions.

JOHN BUCKLEY,  
Chairman of the Bourbon Delegation.

I desire to state that I did not leave the regular convention hall, did not participate in the bolting convention and am heartily in favor and will support Senator J. Campbell Cantrill as the Democratic candidate for Congress from this district.

## Big Plant Wants to Come Here.

President W. O. Hinton, of the Paris Commercial Club, has returned from a trip to Milford, Ill., where he went to investigate the proposition of the Milford Rubber Co., to remove their plant to Paris. The company manufactures inner tubes for automobiles and bicycles, and varied line of athletic goods. They employ from 125 to 150 laborers, three-fourths of whom are skilled mechanics, earning from \$2.50 to \$4 per day. The proposition the company made to Mr. Hinton is for Paris to furnish a site and building for their plant, and to float \$70,000 of first mortgage 6 per cent bonds, to be used in enlarging the plant.

They are at present doing a business of \$300,000 a year, but desire to increase to \$500,000.

Three or four other towns, including Evansville, Ind., have made a bid for the plant, accepting their proposition, but the owners were so much impressed with the great advantage offered by Paris that they agreed to hold over awhile before deciding on any place.
